MEMORANDUM FOR: Colonel White

SUBJECT : Package re Cornerstone Ceremony for
Overseas Distribution

1. It is suggested that any information concerning the Cornerstone Ceremony would be of great interest to all overseas personnel and that a "package" be sent to all stations containing the following:

- (a) The Program
- (b) The Director's Remarks
- (c) The President's Remarks
- (d) Invocation and Benediction by Chaplain Harris
- (e) Selected Press coverage of the event, and
- (f) A few photographs of the actual ceremony.

2. This material could be sent securely by pouch and restricted -- to internal circulation among station employees. Some particularly large stations might get more than one package and of course any station where security might be a problem could be eliminated.

3. If this is deemed a good idea, we can proceed to get the material ready and turn it over to the Deputy Director (Plans) for transmittal.
